2019 Parker Christmas Carriage Parade

Many thanks for being more than a spectator and being in the parade! Thank you for giving of your time and your talents and for showing off your amazing beautiful animals to the community! This is a cherished tradition that without you wouldn't happen and the Town of Parker wants to make sure you know just how thankful we are that you spent your day with us on Saturday helping to bring smiles to our community member's faces and spreading the Christmas spirit and joy!

Congratulations to this year's winners! Winning entries not only had the Boy Scouts walk in front of their entries with the winner banners and they received a framed photo of their entry! Second and third place winners received ribbons

On behalf of the Town of Parker and from my family to all of yours, best wishes for a fantastic start to your 2020 new year! Mark your calendars for next year's parade – Saturday, Dec. 12, 2020 and bring a friend to join as an entry! Carriage Driving 101

Presented by Gary Lewman

Please Note:
Fees and contact information for this event were updated at the January 9 CDS Board Meeting.

Carriage driving is more than just a big draft horse pulling a bunch of sightseers around town. Carriage driving is one of the fastest growing equestrian sports today, and can be as difficult or simple as you choose to make it: a simple picnic drive with friends, a trail "ride" through a park, an exhilarating cross-country marathon, a challenging obstacle course, a dressage test as sophisticated as the highest level of ridden dressage.

You can drive any size horse or pony, from miniature to draft, or drive a mule or donkey instead. Put that lawn ornament or out-grown pony to work! Have an older horse that needs a different exercise program? Put those dreams of yours on a carriage seat instead of a saddle! You and your horse can learn new ways to enjoy this equine sport.

Just as with any other equestrian discipline, it can take years to become a really successful carriage driver, but this clinic can get you started.

This is a clinic for *first time and existing drivers*.

This is a NO HORSES classroom clinic covering basic safety, harness parts, harnessing and bitting, carriages, and basic driving styles, and starting the horse.

Students: Please bring your driving gloves and buggy whip (if you have them)

Lunch break 12:00PM - 1:00PM. Students -- lunch on your own – three restaurants nearby or BYO.
