

Volunteer Training Opportunities

The Combined Driving Event at Colorado Horse Park, September 28-30, 2018 is an ADS-Recognized CDE and we expect competitors from around the US, **so let's put on a quality show!**

May 12 volunteer training at the Colorado Horse Park:

An opportunity for volunteers to practice on the grounds of the Sept. 28-30 CDE. Most CDS and RMCC volunteers have not worked at the Colorado Horse Park. Those new to volunteering for a combined driving event will work beside veteran volunteers and see the arenas and hazards where you will work at the CDE.

So please sign up for a few dates below:
