President's Message

The driving activity drought is over! The Colorado Driving Society is happy to report on two very successful clinics that took place in June. The first, Gary Lewman's "101 Clinic" was held June 13th at Sandy Clayton's ranch. About a dozen people attended the classroom-style clinic which was very informative and generated a lot of enthusiasm. The second learning opportunity was Joe Johnson's hands-on "Long Lining Clinic" held June 27th also at Sandy Clayton's ranch. Another 12 participants took part in a very interactive clinic that taught foundational driving skills from the ground. Since nine VSE's comprised the group, Lani Piper was on board to assist Joe with these small equines. Sandy did an amazing job with social distancing and setting up sanitizing stations to manage the COVID-19 concerns.

More exciting driving opportunities are coming your way in upcoming months. Sara Swearingen is converting the scheduled "Twelve Mile CDT" into a "Fun Day" July 19th at Salisbury Park in Parker. Terri Miller is planning a "Picnic Drive" near their ranch in Buffalo Creek on Aug 1st. Denise Loewe will teaching a "Navigator's Clinic" Aug 8 at Sandy Clayton's ranch. Also check the RMCC calendar in this issue for their upcoming events.

There are two events that have been cancelled. "Derby I", originally on the schedule for May 30, and postponed to the date of "Derby II" on Sept. 19th, has been cancelled. Also the CDS Board and the CDE Committee have voted unanimously to cancel the "Colorado CDE" which was supposed to be Sept 25-27 at the Colorado Horse Park. We'll put all our energy into producing an even more spectacular event next year!

I wish you sunshine, blue skies and lots of driving miles!

Stay safe and drive often!

Kris Jensen

Get more involved with CDS . . .

We’re still looking for someone to fill one critical position:

- **Volunteer Coordinator**— Contacts coordinators for the various CDS events to see how many and what kind of volunteers are needed for their events, then contacts club members and others to see who can fill which positions.

And — until we have a volunteer coordinator — contact individual event coordinators (see the calendar) to offer to help out at events of your choosing. It’s a great way to meet more club members and to learn more about how each of the events works.

Event Organizers . . . If your event is at Salisbury Equestrian Center, consider saving some money by anchoring your event at the east side of the polo field in order to use the permanent porta-potty by the white arena rather than renting a porta-potty (at the cost of \$150).

Due to the global pandemic of COVID-19, the difficulties of complying with the ADS COVID-19 Action Plan, and the restrictions the State of Colorado puts on gatherings of people, the Colorado CDE committee has voted unanimously to cancel the 2020 Colorado CDE slated for September 25-27, 2020 at the Colorado Horse Park in Parker, CO. We regret the cancellation in light of the limited driving opportunities and the dedication to carry on in the face of uncertainty, but the resources, both financial, in the way of sponsorships and donations, and logistical, in the way of staff and volunteers, make the event unfeasible in this calendar year.

Please stay with us as we forge ahead to make the 2021 Colorado CDE the best ever!

Sincerely,

Sal D'Alessandro, Colorado CDE Organizer

4 WHEEL MARATHON/ DRESSAGE CARRIAGE

Custom designed Ahonen four-wheeled carriage. Has independent shafts. Black, with brown vinyl seat upholstery. Beautiful oak dash and side panels. Fittings are chrome. The carriage has two seats: one bench seat that can be used for dressage or pleasure shows, and a wedge seat that can be easily exchanged for marathon. The pleasure type shafts are warm-blood/small draft length. The marathon shafts can be used for smaller horses or even a large pony. Rear disc brakes. The carriage has an

expandable rear axle, FEI width for marathon and cones. Front wheels are attached with a 5th wheel. This allows for tight turns and eliminates accidents if the horse backs out of control. Each wheel is sprung independently by a torsion bar axle; this helps smooth out the ride. The vehicle looks classy enough for a pleasure show and is tough enough for a hardcore marathon. A very versatile and safe carriage. \$3,999.00

HARNESS: Single horse hames style, heavy duty. Includes leather bridle and 19" collar. Harness made out of Beta (webbing covered with plastic) that feels and looks almost like
