**Get more involved with CDS . . .**

**We're still looking for people to fill two critical positions:**

- **Newsletter Editor—Collects information, formats it in MS Publisher (help available!), and distributes it through the CDS email distribution list.**
- **Volunteer Coordinator— Contacts coordinators for the various CDS events to see how many and what kind of volunteers are needed for their events, then contacts club members and others to see who can fill which positions.**

**And — until we have a volunteer coordinator — contact individual event coordinators (see the calendar) to offer to help out at events of your choosing. It's a great way to meet more club members and to learn more about how each of the events works.**

**Event Organizers . . .**

**If your event is at Salisbury Equestrian Center, consider saving some money by anchoring your event at the east side of the polo field in order to use the permanent porta-potty by the white arena rather than renting a porta-potty (at the cost of \$150).**

### The American Driving Society, Inc. Announces Pony and VSE Measurement Program

Cross Plains, WI.-The American Driving Society, Inc. (ADS) announced for 2020 its new Pony & VSE Measurement Program. Appendix GR-B and Article 930.4 will be added to the 2020 ADS Rulebook:

1. ADS Ponies are 120cm to 148cm with or without shoes, 149 with shoes.
2. ADS Small Ponies are 99cm to less than 120cm; with or without shoes.
3. VSEs are under 99cm with or without shoes.
4. Animals will be measured prior to their first competition of each year until reaching the competition age of 8 years, after which they will receive a Permanent Card.
5. Measurement Cards are for the exclusive use of ADS Competitions.

#### Measurement Procedures:

- An ADS Measurement may be taken by only a trained ADS Licensed Official, a measurement-trained FEI or USEF Licensed Official, or veterinarian.
- USEF Measurement Cards will be accepted as proof of height.
- Measurement MUST be taken from the highest point of the withers. This spot must be identified by palpation before measurement is taken.
- Animals are to be measured on a flat, hard, level surface. Concrete or Tarmac is ideal. If no such surface is available, the floor of a horse trailer which has been levelled is acceptable.
- The animal must be positioned with front legs parallel and perpendicular. Front toes SHOULD BE inline. All four feet must be taking weight. The head must be in its natural upright position.
- Officials may not measure their own or their family's animals.
- A veterinarian is not required to measure unless an animal is borderline in height and there might be a question as to what height it might be.
- Photographic identification, such as a Coggins with photographs is acceptable for animal identification.
- If a Coggins has a space for notes, a veterinarian may measure the animal and add the height in this space.
- All ponies and VSEs may be measured beginning January 1, 2020.
- Effective July 1, 2020, all ponies and VSEs competing in an ADS-recognized event must have a valid ADS Measurement Card or USEF Measurement Card as defined in Art 930.4.

**Due to COVID-19, the date of effect has been postponed to January 1, 2021.**

A page dedicated to the ADS VSE & Pony Measurement Program has been created on the ADS website and can be accessed by clicking the button below. On it you will find a list of frequently asked questions, a list of ADS Licensed Officials who have been trained to measure animals (this document will be updated regularly as the list grows), and the ADS VSE & Pony Measurement Card in fillable PDF format.

## For One and All, Big and Small CDS Annual Easter Egg Hunt

**11 am Saturday, April 11, 20** (Rain/Snow date April 18)  
Indiana Equestrian Park 7600 Indiana St, Arvada CO 80007

The intent of our Annual Easter Egg Hunt is to have fun, to offer an opportunity for fellow enthusiasts to visit, and to offer a safe environment for our equine partners to refresh themselves after the winter doldrums. Everyone is welcome to join CDS and enjoy the fun!

### How it works:

- Arrive at 10 am or before to decorate your carriage and/or horse/pony/mini/mule/burro/children.
- Secure your horse.
- Sign in (& pay your \$30 club dues, if you haven't already.)
- Get your number tags.
- Tie one tag to your cart and one to your basket (or to yourself if you're ground-driving, in which case an apron with a pocket for eggs may be helpful).

### 11 am Potluck Brunch

- Bring your potluck food to the pavilion.
- Bring your own plates, utensils and drinks.
- Join the brunch and socialize!

### 1:00 Parade

- Drive your turnout into the arena for the judging.
- After judging, proceed to the starting line (row of cones).

### 1:15 THE EASTER EGG HUNT

- **Line up at the starting line (row of cones)**
- **Set your basket down by a cone**

#### When the whistle blows:

1. Drive out into the field to find an egg. **STOP.**
  2. One helper gets down, picks up one egg, and gets back into the carriage.
  3. Drive back to your basket at the starting line. **STOP.**
  4. One helper gets down, puts the egg in the basket, & gets back into the carriage.
- REPEAT steps 1-4 for each egg.
  - There will be a warning 5 minutes before the hunt ends.

#### When the whistle blows again:

- Hand in your basket full of eggs at the Pavilion
- If you want, you may continue to collect eggs after turning in your basket, but these won't count towards prizes.
- Secure your horse and come to the pavilion for prizes.

### 2:30 Awards

- Come to the pavilion for presentation of prizes!
- **Help clean up & thank the organizers and judges.**
  - After the awards are given out, you may help yourself to the leftover eggs for your local livestock or wildlife.

This is the perfect first drive of the season; remind your horse how to **STOP, STAND, and GO!**

### PRIZES

Carriage driving is more than just a big draft horse pulling a bunch of sightseers around town. Carriage driving is one of the fastest growing equestrian sports today, and can be as difficult or simple as you choose to make it: a simple picnic drive with friends, a trail "ride" through a park, an exhilarating cross-country marathon, a challenging obstacle course, a dressage test as sophisticated as the highest level of ridden dressage.

You can drive any size horse or pony, from miniature to draft, or drive a mule or donkey instead. Is that brown ornament or out-grown pony to work hard and fast? Is your horse that needs a different exercise program? Put those dreams of yours on a carriage seat instead of a saddle! You and your horse can learn new ways to enjoy this equine sport.

Just as with any other equestrian discipline, it can take years to become a really successful carriage driver, but this clinic can get you started.

This is a clinic for *first time and existing drivers*. This is a NO HORSES classroom clinic covering basic safety, harness parts, harnessing and bitting, carriages, and basic driving styles, and starting the horse.

Students: Please bring your driving gloves and buggy or carriage whip (if you have them).

**Lunch break 12:00PM - 1:00PM. Students -- lunch on your own -- three restaurants nearby or BYO.**

For more information, contact Sandy Clayton at 303-646-6195 or sklayton@att.net

**POSTPONED**  
Date TBD  
Long Lining Clinic will be scheduled approximately 2 weeks later

# Let's head to Broadmoor!

March 28, 2020

## Visit to the Broadmoor Carriage Museum

After our last visit to the Carriage Museum, many of us wanted to spend more time viewing the exhibits, so we are planning another visit on March 28.

The Penrose Heritage Museum, as the carriage museum is now called, is at 11 Lake Ave. in Colorado Springs.

Parking will be in the Broadmoor garage. The museum will stamp your parking receipt so that you don't have to pay a parking fee.

If possible, meet at 9:00 am at the Franktown Firehouse and consolidate into fewer cars to drive to the museum. Whether you carpool or drive yourself, please be at the museum by 10:15 for our 10:30 am tour.

We'll have lunch at the Edelweiss (German food) after the tour.

### HOW IT WORKS

Each driver will be timed through a numbered course of obstacles and gates in the proper direction and in correct numerical order to the finish line. Drivers may enter equines of any breed and size, from minis to drafts, in different divisions and classes.

A round is run as a timed competition with penalties converted into seconds. There will be two rounds for each competitor. The times plus penalty scores for both rounds are added to produce final scores and placing.

### RULES

#### Divisions

- Training Level Division: trot only.
- Open Division: any gait.

Classes refer to equine size; any equine breed may enter, including mules and donkeys.

- VSE/Under 9.3 hands/39 inches
- Small Pony (less than 12.2 hands)
- Large Pony (12.2 to 14.2 hands)
- Horse (over 14.2 hands)

#### Presentation:

- Horses and riders must be turned out in clean and neat marathon style.

#### Navigators:

- All entries except VSE or small pony are required to have a navigator on the vehicle. Navigators may ride with more than one entry. Multiple hitches must have a navigator regardless of horse size.
- Drivers under the age of 18 years must be accompanied by a navigator of 18 years and older with the exception of VSE or small pony.
- Youth drivers over the age of 14 may drive without an adult in VSE classes.

#### Equipment:

- All persons on the course must wear properly fitted ASTM/SEI protective headgear with chin strap harness secured. Protective vest and medical armbands are not required but recommended.
- Only the driver may handle the reins, brake and whip.
- A whip of suitable size must be carried in hand while on the course. If the whip is dropped, the driver or groom can retrieve a spare whip or the carriage must be stopped so a groom may dismount and retrieve the whip. In the case of a driver without a groom, the whip may be re-

stored to the driver by an outside party. The penalty is the time lost.

#### Course:

- A course diagram will be emailed after the closing date and will be available upon check-in.
- Drivers will be invited to walk the course the morning of the event.
- Cones will be set at a common width of 200 cm.
- Obstacle gates will be set at a minimum of 3 meters apart.
- The entry to each gate will be numbered on the right by a red sign or flag, to indicate the correct direction. Entering a gate with the red sign or flag on the left or out of numerical order is an error and cause for elimination.
- Driving gates out of order is "off course" and may be corrected by returning to the missed gate and resuming the course.
- Gates completed are considered dead and can be driven in any direction.
- The judges' interpretation of the rules is final.

### SCORING

- Course time begins and ends when the horse's nose crosses the start and finish lines.
- Penalties are added to the elapsed time for total time.
- Entry with lowest total time wins. This can be a combined time if multiple runs are used.
- Ties will be broken by the fewest penalty seconds or a drive off at management discretion.
- There will be recognition for the lowest combined scores from the season's derbies.

### TO ENTER THE DERBY

- Fill out the entry form and release form (below).
- Submit entry forms and fees. (See dates above.) *Make checks payable to Colorado Driving Society.* A confirmation email will be sent upon receipt of entry.
- If you are under 18, your parent or legal guardian must sign the release on the entry form along with you.
- Drivers and navigators (parent or guardian for minors) must sign release form before participating.

Ladies and Gentlemen,

whip and wear an appropriate driving apron. All volunteers and non-riding guests will dress in similar fashion.

This event is open to horses, mules and ponies. While traditional vehicles are preferred, competition type vehicles are welcome.

#### Schedule of events:

- 10:00 am: Presentation
- 10:15 am: Pleasure drive (5.5 to 7.5 miles), including basic driving tests.
- 11:45 pm: Skilled driving test (cones course)
- 2:00 pm: A light lunch including beverages will be served in the courtyard and carriage house.
- 3:00 pm: Mr. Remley will offer commentary on the turnouts.

Be sure to remember your number holders.

All whips, grooms, volunteers and guests are asked to sign the release on the next page, and sign the Jensen's release upon arrival.

The skilled driving test (cones course) will be driven at a trot and judged on time and balls down. Please include the track width of your vehicle measured from the outside edges of your rear wheels on the entry form.

The course for the pleasure drive will include some "out and back" so that we will have the pleasure of passing and saluting each other, and an opportunity to appreciate the other turnouts. We will again have the ever-popular beer and champagne stops.

All participants must be members of the Colorado Driving Society. A single membership is \$30 and a family is \$35. The entry fee is \$40. A buffet lunch including beer, wine, iced tea, soft drinks and coffee will cost \$25 per person. You are welcome to bring your lunch and libations and picnic on the grounds.

It is our intention to make this event as inclusive as possible while observing the traditional standards of classical carriage driving. We wish this to be a fun and educational day celebrating our carriages, our horses and our very special lifestyle. We look forward to seeing all of you.

Except when preparing the vehicles and horses, we request that our dress code be observed at all times throughout the grounds. Gentlemen: coat, slacks, tie, hat, and

### 4 WHEEL MARATHON/ DRESSAGE CARRIAGE

Custom designed Ahonen four-wheeled carriage. Has independent shafts. Black, with brown vinyl seat upholstery. Beautiful oak dash and side panels. Fittings are chrome. The carriage has two seats: one bench seat that can be used for dressage or pleasure shows, and a wedge seat that can be easily exchanged for marathon. The pleasure type shafts are warm-blood/small draft length. The marathon shafts can be used for smaller horses or even a large pony. Rear disc brakes. The carriage has an expandable rear axle, FEI width for marathon and cones. Front wheels are attached with a 5th wheel. This allows for tight turns

and eliminates accidents if the horse backs out of control. Each wheel is sprung independently by a torsion bar axle; this helps smooth out the ride. The vehicle looks classy enough for a pleasure show and is tough enough for a hardcore marathon. A very versatile and safe carriage. \$3,999.00

**HARNESS:** Single horse hames style, heavy duty. Includes leather bridle and 19" collar. Harness made out of Beta (webbing covered with plastic) that feels and looks almost like leather. Will fit 950-1100 lb.

for the Colorado CDE to be held Sept. 25-27 at the Colorado Horse Park. Chairman Erik Jensen & Organizer Sal D'Alessandro will be organizing an upcoming meeting soon. There will be an update at the online CDS Board Meeting.

- We are happy to report that we are working on organizing a fun day to be added to the schedule as the current situation permits.
- We will practice "social distancing" while still getting in some driving time; dressage & cones practice, possibly some cross country driving.

Stay tuned for more information via email.

For 2020, The ADS adopted new rules for the measurement of VSE's & Ponies, namely that these equines in competition have to have a completed measurement card before they are allowed to compete. The rule was going to go into effect July 1, 2021, but has now been extended to January 1, 2021. CDS is still planning on having an event later on to measure our ponies & VSE's.

Thank you for your patience during this confusing and difficult time.

Keep driving!!

Sincerely, Kris Jensen
