News News News!

Hello everyone! Our President is on the road, doing the things we all enjoy and our reason for being here, driving horses! There has been a TON going on in August, and September sees us on the downhill slide to our biggest event of the year, the Colorado CDE/CT at the Colorado Horse Park. The planning committee has been meeting all year and has some big plans to host an amazing event! We

are so excited that we are getting to have it this, and we have over 30 entries as of today. There is a work day planned for next weekend, September 18th, at 9am. We need weed-whackers, lawnmowers, gloves and contractor trash bags to do all the final touches on the marathon course. Please plan to come help! We also have a few more days to get your entry in with no late fee, the CT format was changed and will run entirely on Friday. The event schedule will be shared soon, so do plan to come volunteer, watch, and just visit with other drivers. We have entries from Wyoming, Oklahoma, Nebraska, and Kansas as well! And one final call for sponsorships, we still have plenty of opportunities there!

Get more involved with CDS . . .

We're still looking for someone to fill one critical position:

- **Volunteer Coordinator—** Contacts coordinators for the various CDS events to see how many and what kind of volunteers are needed for their events, then contacts club members and others to see who can fill which positions.

And — until we have a volunteer coordinator — contact individual event coordinators (see the calendar) to offer to help out at events of your choosing. It's a great way to meet more club members and to learn more about how each of the events works.

Event Organizers . . . If your event is at Salisbury Equestrian Center, consider saving some money by anchoring your event at the east side of the polo field in order to use the permanent portapotty by the white arena rather than renting a porta-potty (at the cost of \$150).

Reminders for Event Organizers:

- Guidelines for organizers, a sample budget, and reimbursement forms are available from the event coordinator (below).
- Three months before your event, submit a budget to the CDS board of directors through the event coordinator. *No publicity for an event will be released until the budget has been approved.*
- Once your budget is approved, please submit a description of the event to the newsletter editor. Include event title, location, date, time, rain date, fees, organizer, details of the event, closing date for entries & where to send entry form and fee. (Please send content with minimal formatting. We'll take care of the layout.)
- For help recruiting volunteers, contact the volunteer coordinator (below) two months prior to the event with a list of the positions to be filled (set-up, scribe, timer, cone setters, volunteer judges, announcer, photographer, etc.)
- Arrange for a volunteer to take photographs or contact the newsletter editor about photographs.
- After your event, please send a report about scores, awards, number of entries, etc. to the newsletter editor.
- To be reimbursed by the club for any expenses you incur, you must provide a receipt and a CDS reimbursement form, available from the event coordinator.
Items that are donated require a receipt for the value of the item and the word "Donated" written on the receipt for tax purposes. This can include a judge's fee if the judge normally charges but chooses to donate the service to CDS.
