## President's Message

### Greetings in the New Year!

We are looking forward to a wonderful New Year of driving!

We had a fantastic start to the year with a practice driving derby on Saturday, January 11<sup>th</sup>, at Messer Arena & Events Center in Kiowa. It was a very successful first indoor driving derby with about 26 participants eager to drive AI's challenging course. A special thanks goes out to AI & Joan Senzamici, Susie & Anna Haszelbart, Norb & Rita Nothstein, the Messer Arena crew & all the volunteers who made this possible. The next practice driving derby will be held February 22<sup>nd</sup> at Messer Arena. AI's new course map has been uploaded to the coloradodrivingsociety.com website and the "Friends of Colorado Driving Society" Facebook Page.

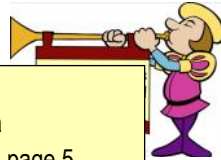

We are very excited to welcome Orrill Speaker as the new CDS Youth Representative. This young lady has already had a busy schedule at the Big Thunder Draft Horse Show in Loveland, CO on Jan. 17-19. She passed out sponsorship signs, attended the Exhibitor's Dinner & even got to ride with the winning 8-horse hitch during their victory lap.

Please plan to attend our next membership meeting, Thu, Feb 13<sup>th</sup>, 7:00pm, at the Franktown Fire Station where Vickroy will present "Whips & Rein Handling" with hands-on practice. Vickroy has requested that participants bring whips & rein boards if they have them.

Sincerely

Kristina Jensen

# Heated Indoor Practice Derby

January 11 was a beautiful day to start a new idea ... heated indoor practice derby! The day started off in the single digits, but warmed up nicely outside & toasty warm inside. We had hoped for this first derby that we would have enough entries to cover the cost of renting the Messer arena. With 26 turnout ranging from drafts to minis, folks came from North & South (Canon City) to enjoy the venue and we more than covered the rent. Al created and set a terrific derby course. Volunteers helped put the barrels, cones, & markers in place. Joan timed the entries and we all found we improved on our next run. We had coffee, tea, cocoa, donuts, turnovers & croissants. Our next one is planned for February 22 & all drivers will get a number, since now we know you like this unique driving event. **Thank you** for making it a success!!!

## 2020 ROCKY MOUNTAIN HORSE EXPO

Friday, Saturday, and Sunday **February 28, 29 & March 1**  
at the National Western Stock Show Complex

In addition to the Event Center clinics, we will have carriages on display, driving presentations & demonstrations at our booth.

We need your help! Please join the fun and volunteer for as many time slots as you can manage over the 3 days, Morning 9-12, Afternoon 12-3, or Later Afternoon 3-6. Please let **Terri Miller** know if you can volunteer at [boxg.miller@yahoo.com](mailto:boxg.miller@yahoo.com) or call **303-838-6768**. We need volunteers to staff the carriage display & to help during each presentation to answer questions.

We would also greatly appreciate **your carts and carriages for our display** vehicles. Examples of Entry Level, Pleasure Show and Competition vehicles, or carts/carriages you may want to sell. It's a great audience! **THANK YOU!!**

# Orrill Speaker

CDS Youth  
Representative

Hello, Colorado Driving Society!

My name is Orrill Speaker and I am your Youth Representative. I have been driving with CDS for 10 years now, with horses ranging from 34" to over 18 hands. I drive both single and teams. I have participated in draft horse driving almost as long, just less frequently.

My first big adventure as the Colorado Driving Society Youth Representative was to attend the Big Thunder Draft Horse Show both as your representative and an exhibitor.

I began the show by attending the exhibitor dinner the night before the show. I enjoyed talking to others about driving draft horses at open driving competitions such as CDEs and derby drives.

The morning the show started I was asked by show management to assist in handing out the show sponsorship signs to be placed upon the draft horse hitch wagons. This was a great opportunity to meet many drivers of the hitches. I later rode up on Kiowa Creek Coaches hitch wagon during men's team class and unicorn hitch to help keep the lines straight and assist with the teams in lineup. I was announced as the CDS Youth Representative during both classes and had several people come talk with me about our club after the classes ended for the evening.

On Saturday, I assisted with braiding horses (draft horse show classes require mane and tail braids), harnessing and hooking horses to vehicles. I was able to answer many questions about differences in CDE events and draft horse events and activities.

On Sunday I drove for Kiowa Creek Coaches in the amateur cart class and was then able to assist the Colorado Draft Horse Association's Youth Representative in presenting ribbons in the afternoon. I had time to speak with some of the audience about CDS activities between awards presentations. At the end of the show I was offered the opportunity to ride with the winning eight horse hitch as your Youth Representative.

I had a good time sharing what a wonderful group of driving enthusiasts we have and presenting new driving opportunities to my friends in the draft horse world.

I look forward to sharing the driving adventures from the National Western Stock Show in next month's newsletter.

Thank you,

Orrill Speaker

Colorado Driving Society Youth Representative

Carriage driving is more than just a big draft horse pulling a bunch of sightseers around town. Carriage driving is one of the fastest growing equestrian sports today, and can be as difficult or simple as you choose to make it: a simple picnic drive with friends, a trail "ride" through a park, an exhilarating cross-country marathon, a challenging obstacle course, a dressage test as sophisticated as the highest level of ridden dressage.

You can drive any size horse or pony, from miniature to draft, or drive a mule or donkey instead. Put that lawn ornament or out-grown pony to work! Have an older horse that needs a different exercise program? Put those dreams of yours on a carriage seat instead of a saddle! You and your horse can learn new ways to enjoy this equine sport.

Just as with any other equestrian discipline, it can take years to become a really successful carriage driver, but this clinic can get you started.

This is a clinic for *first time and existing drivers*.

This is a NO HORSES classroom clinic covering basic safety, harness parts, harnessing and biting, carriages, and basic driving styles, and starting the horse.

Students: Please bring your driving gloves and buggy whip (if you have them)

**Lunch break 12:00PM - 1:00PM. Students -- lunch on your own – three restaurants nearby or BYO.**

# Let's head to the Broadmoor!

## March 28, 2020 Visit to the Broadmoor Carriage Museum

After our last visit to the Carriage Museum, many of us wanted to spend more time viewing the exhibits, so we are planning another visit on March 28.

The Penrose Heritage Museum, as the carriage museum is now called, is at 11 Lake Ave. in Colorado Springs.

Let's meet as before at 9:00 am at the Franktown Firehouse and consolidate into fewer cars to drive to the museum. If you would like to just meet us there, be ready for the tour to start at 10:30am.

**Support CDS when you shop Amazon**

AmazonSmile is a website operated by Amazon with the same products, prices, and shopping features as Amazon.com. The difference is that when you shop on AmazonSmile, the AmazonSmile Foundation will donate 0.5% of the purchase price of eligible products to the charitable organization of your choice.

Every item available for purchase on [www.amazon.com](http://www.amazon.com) is also available on AmazonSmile ([smile.amazon.com](http://smile.amazon.com)) at the same price. You will see eligible products marked "Eligible for AmazonSmile donation" on their product detail pages.

To shop at AmazonSmile simply go to [smile.amazon.com](http://smile.amazon.com) from the web browser on your computer or mobile device. You may also want to add a bookmark to [smile.amazon.com](http://smile.amazon.com) to make it even easier to return and start your shopping at AmazonSmile.

On your first visit to AmazonSmile [smile.amazon.com](http://smile.amazon.com), select a charitable organization to receive donations from eligible purchases before you begin shopping. We will remember your selection, and then every eligible purchase you make at [smile.amazon.com](http://smile.amazon.com) will result in a donation.

You use the same account on Amazon.com and AmazonSmile. Your shopping cart, Wish List, wedding or baby registry, and other account settings are also the same.

No cost to you—just a few seconds to register CDS as your charity, then the club benefits greatly. Remember to go to AmazonSmile to enter the Amazon site to have it work.

Happy Shopping!
