Dear Competitor,

We would like to invite you to participate in the Colorado CDE & CT, August 22-24. Entries open May 1 and close August 9.

Our judges are Hardy Zantke and Hannah Polson, with Wayne Kramer as TD.

The marathon course, designed by Erik Jensen will include up to 7 obstacles through partly wooded trails, over grassy rolling terrain with some areas of sand and a water obstacle.

A **controlled warm-up** has been added instead of Section A this year. This format change is in keeping with other national level competitions. Training, Preliminary, Intermediate and Advanced/Intermediate AI for the CDE & CT divisions.

The competition will be held at the Colorado Horse Park, (CHP) in Parker, Colorado. We will be using the large arena in the main area of the park for dressage and cones. The arena footing is a mix of GGT (German Geo Textile) and sand, and is firm but resilient.

Driver/grooms will be permitted twice around on marathon per ADS Rule-book article 943.2 if scheduling permits. No horse, driver, navigator, or equipment may go more than twice in any course/test. Please include sharing information your entry form.

Food will be available on the grounds and from many local restaurants. There are several hotels in the area. If you plan on camping in an RV or horse trailer, please fill out and submit the CHP RV reservation form. The form tells you to send it directly to CHP, but we ask that you also include a copy of the form with your event entry form.

This Colorado adventure promises to be both fun and challenging. We look forward to seeing you here!
