Greetings Everyone,

I continue to be amazed at the enormous generosity, hard work, & kindness of our driving community.

The crew of 7 volunteers, comprising family, friends & members that arrived with tractor, chainsaws, shovels, weed wackers, etc., determined to clean out a hazard & trail section at the Colorado Horse Park was inspiring. In 3 hours the area was beautiful & ready to be driven. This is all part of the preparation for our nationally recognized Colorado CDE, just 2 months from now.

The annual 20 Mile House CDT was another magnificent event with 13 turnouts (including the Karla & Phil Porter, all the way from New Mexico) and an army of terrific volunteers. Sara Swearingen & Pat Lamprey did a magnificent job of organizing, designing, setting up & taking down a wonderful dressage, cones & hazards course. The amount of work that goes into an event like this is massive and the result was a joy to drive & fun to be part of.

Our hearts & prayers go out to the Nesse family, with the passing of CDS Board of Director, Barb Nesse. It is a tremendous loss of a close friend, who was an enthusiastic driving advocate and immense help to the Colorado Driving Society. Barb will be remembered for her passion, warm smile, generosity, grace, beauty & kindness. We miss you Barb!!!

Driving Pleasure,  
Susie Haszelbart

**Barbara Sue Nesse**

October 11, 1954—July 27, 2018

I really got to know Barb well when we went to the CAA (Carriage Ass'n. of America) Learning Weekend in Grand Oaks, FL. a couple years ago. I couldn't get enough of her vibrant, effervescent personality and clear passion for horses and carriage driving.

A few months later, she asked me to show her beloved horse, Kilroy, in the carriage driving classes at the Circle J Morgan Horse Show.

It was a great thrill and an amazing honor.

I remember how excited she was to buy that beautiful hat at Katie Whaley's shop in Florida that she later wore in her immaculate turnout at our Traditional Day of Driving. How happy she looked driving her black Morgan to the Meadowbrook cart with Tony at her side!! She was one of the most upbeat, inspiring women I know.

I will miss her tremendously.

## Obstacle Driving Classes

See Rules and Regulations on the following pages.

### Driven Trail

1. WALK through the large L-shape.
2. TROT circle to the left around the box & continue to trot to the U-shape.
3. Back into U-shape until cart wheel touches log. Proceed out at TROT.
4. WALK to mailbox & open box & show item inside.
5. WALK & drive the right wheel between lines.

Finish: Exit at the WALK after driving between the lines.

### Timed Obstacle

To be driven over a prescribed course of obstacles. The number of obstacles to be proportionate to the dimensions of the driving area. Not to exceed 20 obstacles.

After passing the starting line, the driver proceeds through each obstacle in order to the designated finish line.

Course faults are assessed as penalty seconds and are added to the driver's elapsed time. Placings are determined on a low total time basis.

### Gambler's Choice

To be driven over a course of unnumbered obstacles, each carrying a specific point value, assigned according to its degree of difficulty. Each driver has the same allowed time to negotiate as many of the obstacles as possible, and try to amass as high a score as possible within that time allowed. After passing through the Start markers, the driver may drive through the obstacles, in any order and direction. Each obstacle may be driven twice, but not in succession. If driven a third time, no points are awarded. No obstacle may be redriven once it has been disturbed, except obstacles meant to be knocked down. No points are given for an incorrectly driven obstacle, but if incorrectly driven and

not disturbed, it may be attempted again. A signal sounds at the end of the allowed time, and the driver must then exit through the finish markers where the total time on course will be recorded. If already committed to an obstacle when the signal sounds, the driver may complete the obstacle and receive the points, then proceed to the finish. It is up to the judge to decide if the competitor was committed at the signal. Placings are determined by the greatest number of points accumulated in the least time. Obstacle may include a bridge, mail box to be opened, flag carried, 360 degree circle, parallel poles, various cones pairs in figures, back up knock down, and others.

### Town & Country

After passing the starting line, the driver shall proceed through each obstacle in order to the designated finish line. Obstacles are set at 80 inches (2.0m) for all competitors. At least 30% of the obstacles must not be a pair of cones, but instead an obstacle that could be encountered while out driving through

town or country; i.e., mailbox and cones, trash barrel and cone, flagpole and a cone, fence section and cone, bridge, poles set like guardrails, wood piles, artificial animals (these should be set at a distance from a pair of cones to avoid frightening animals).

### Scurry Obstacle

- a. To be driven over a course of unnumbered obstacles consisting of cones and balls, not to exceed 10 obstacles.
- b. After passing through the Start markers from any direction, the driver proceeds through each obstacle from any direction, in any order. Each obstacle must be driven once. Upon completion of the course, the driver must pass through the Finish markers from any direction, where time will be taken.
- c. Refusals and run-outs will not be penalized.
- d. Course faults will be scored as penalty seconds and added to the driver's elapsed time. Placings will be determined on a low total time basis. Ties for first place will be broken by a drive-off, unless otherwise stated in the Omnibus.

CDS EVENT: DERBY DRIVING COMPETITION | SATURDAY, SEPT 15, 2018 | SALISBURY EQUESTRIAN PARK PARKER, CO

Inga Wiedenhuies driving Banner with Stephanie Wiedenhuies as navigator.

## Colorado Driving Society Driving Derby II

Saturday, September 15, 2018

Salisbury Equestrian Park,  
11920 N Motzenbacher Rd,  
Parker, Colorado

Hosts: Norb and Rita Nothstein

Sharyl Thombs driving Sioned with Paul Thombs as navigator.

### How it works:

Each driver will be timed through a numbered course of obstacles and gates in the proper direction and in correct numerical order to the finish line. Drivers may enter horses of any breed and size, from minis to drafts, in different divisions and classes.

A round is run as a timed competition with penalties converted into seconds. There will be two rounds for each competitor. The times plus penalty scores for both rounds are added to produce final scores and placing.

### RULES

#### Divisions

- Training Level Division: trot only.
- Open division: any gait.

Classes refer to equine size; any equine breed may enter, including mules and donkeys:

- VSE/under 9.3 hands (39 inches) (VSE=very small equine)
- Small Pony (less than 12.2 hands)
- Large Pony (12.2 to 14.2 hands)
- Horse (over 14.2 hands)

#### Presentation:

- Horses and drivers must be turned out in clean and neat marathon style.

#### Navigators:

- All entries except VSE or small pony are required to have a navigator on the vehicle. Navigators may ride with more than one entry.
- Drivers under the age of 18 years must be accompanied by a navigator of 18 years and older with the exception of VSE or small pony.
- Youth drivers over the age of 14 may drive single in VSE class.

#### Equipment:

- All persons on the course must wear properly fitted ASTM/SEI protective headgear with chin strap harness secured. Protective vest and medical armbands are not required but recommended.
- Only the driver may handle the reins, brake and whip.
- A whip of suitable size must be carried in hand while on the course. If the whip is dropped, the driver or groom can retrieve a spare whip or the carriage must be stopped so a groom may dismount and retrieve the whip. In the case of a driver without a groom, the whip may be restored to the driver by an outside party. The penalty is the time lost.

#### Course:

- A course diagram will be emailed after the closing date and will be available upon check-in.
- Drivers will be invited to walk the course the morning of the event.
- Cones will be set at a width of 200 centimeters.
- Obstacle gates will be set at a minimum of 3 meters apart.
- The entry to each gate will be numbered on the right by a red sign or flag, to indicate the correct direction. Entering a gate with the red sign or flag on the left or out of numerical order is an error and cause for elimination.
- Driving gates out of order is "off course" and may be corrected by returning to the missed gate and resuming the course.
- Gates completed are considered dead and can be driven in any direction.
- The judges' interpretation of the rules is final.

#### SCORING

- Course time begins and ends when the horse's nose crosses the start and finish lines.
- Penalties are added to the elapsed time for total time. Penalties are listed on the page after the entry form.
- Entry with lowest total time wins. This can be a combined time if multiple runs are used.
- Ties will be broken by the fewest penalty seconds or a drive off at management discretion.
- **The driver with the lowest combined scores from June 16 Derby I and Sept. 15 Derby II will be recognized.**

#### To Enter the Driving Derby.

- Fill out the entry form on the next page.
- Entries and fees must be received no later than May 26, 2018. Make checks payable to Colorado Driving Society. A confirmation email will be sent upon receipt of entry.
- If you are under 18, your parent or legal guardian must sign the release on the entry form along with you.
- Drivers and navigators (and parent/guardian when applicable) must sign release on entry form before participating.

## Colorado CDE

September 28-30, Colorado Horse Park, ADS Recognized

Sponsored by Colorado Driving Society and Rocky Mountain Carriage Club

### \* Progress Update \*

#### To the members of CDS and RMCC

The Colorado CDE presents a great opportunity for our driving community to come together and build this exciting and fun event in our state. An enormous amount of planning and organizing has already been accomplished to secure the facility, officials, ADS recognition and much more described below. Two months remain before the event, and we need *all hands on the reins* to bring us across the finish line.

We encourage Colorado drivers to enter – see the omnibus and entry form in this newsletter issue. We need club members to volunteer, get sponsors & vendors, reach out to businesses to donate items for the competitor's packets, and help at upcoming work days at the CHP. And we need your additional ideas.

Entries: There is tremendous interest from competitors in CO, MT, AZ, NV, CA, TX, OR, NE, UT, NM, IA, MO, WY, & FL. A number of early entries have been received and we expect the bulk of the entries to arrive in August. The closing date for entries is August 24.

Advertising: Ads have been placed in *The Whip*, *Driving Digest*, *CDS & RMCC Newsletters*, as well as calendar items in *Chronicle of the Horse* and the *Colorado Horse Forum*. Lani Piper met with the *Fence Post* and helped with the article they published about the Colorado CDE. Sandy Clayton has hand written 50 notes on promotional postcards and mailed them to potential competitors. Susan Tyler is emailing 38 driving clubs in surrounding states with the event information & entry form to be placed in their newsletters and/or an email blast to their members.

Budget: \$4000 of seed money was deposited by CDS & RMCC. The judges, TD, and course designer have graciously agreed to donate their time and expertise this first year. The Colorado Horse Park is only charging \$1000 for this 3-day event and giving us Monday, October 1st free to hold a driving clinic with Craig Kellogg. The budget was

planned to break even with 20 entries.

Volunteer Recruitment & Training: Carolyn Hayes and Susan Tyler are actively working on finding enough helpers. Pat Lamprey conducted a half-day volunteer training session at CHP on May 12. She and Jewell Beach did additional training on July 29. We hope to have one more session before training at the event itself.

Sponsorship: See the attached list of *Sponsorship Opportunities*. The developer *Two Bridges "Locol"* has signed on as the \$2500 Title Sponsor. Nancy Bruckhouser has sponsored the radios at \$500. Another person has sponsored a driver, and there have been several donations for the event. Everyone's welcome to reach out to individuals & businesses to encourage their support. Sponsorship agreements and payment are due September 1, 2018

Vendors: A hat company, Mexican food & another vendor have secured their place for this event. Contact Debbie Terry if you know a vendor interested in space at the event.

Course Design: Jamie O'Rourke spent three days this summer at the Colorado Horse Park working on the CO CDE course design. He designed the course for the last nationally recognized CDE held in 2005 at CHP. July 26 was the 1<sup>st</sup> work day at CHP where a tree hazard and trail section were cleared and now is ready for drivers. More workdays are planned after September 2.

Committee Members: Planning this event are Erik Jensen, Kristina Jensen, Debbie Terry (Organizer), Pat Lamprey (Secretary), Sandy Clayton (Treasurer), Sheryl Thombs & Susie Haszelbart.

Contact info: Debbie Terry 303-688-3266, Pat Lamprey 303-429-7525, Susie Haszelbart 303-882-2462.

Thank you for your support!!!

# 2018 20 Mile House Combined Driving Trials

On July 29, 2018, I ran my first ever event as organizer: the 20 Mile House Combined Driving Trial. We had thirteen competitors with hitches of all shapes and sizes. What an exhilarating and terrifying experience! What I must say about this task is that, first and foremost, it would not have been possible without the help and constant assistance of Pat Lamprey and Susan Tyler. Susan was essential and amazing in rallying and organizing volunteers. Pat held my hand and guided me through almost every aspect, while encouraging or correcting decisions I'd made throughout the process. I can't forget the encouragement of Susie Haszelbart either. When I felt like it was too much and beginning to flounder, she gave me a hand and set me back on course, giving me just what I needed to keep going. Thank you, Pat, Susan, and Susie, so much, for everything! I also want to again thank each volunteer that came out Saturday to help with set up, and all those that helped at the trial itself. As always, these events cannot function without you. Every one of you rose admirably to each

task and made this a wonderful event. And to the competitors: thank you for participating! Your enthusiasm makes it all worth it!

For me, this was a pretty difficult event to organize as a first one, but now that I'm on the other side of it, I look forward to organizing more. As some of you may know, I have had little driving experience, and even then, only on a commercial scale. I've been wanting to explore competitive driving ever since! While it's popular enough in Florida, where I moved from last year, it was hard to find anyone that taught it, let alone a group as active at this one. I am grateful for these opportunities and experiences, and, with your help, I want to keep them going and make them interesting. I invite anyone and everyone to choose an event to organize, to offer advice, tips, and suggestions to make all future events even better. Once again, I thank everyone who participated and supported this event!
