President's Message

Greetings,

It's only February, but we're busy planning for an amazing ADS recognized Colorado CDE & CT on August 30, 31 & September 1, 2019. The addition of a Combined Test (Dressage & Cones only) will offer another alternative for competitors that may not be ready for the marathon phase. It is also possible for a competitor to enter both the CDE and the CT, if they want that option. We have a new organizer this year, Sal D'Alessandro, who brings a wealth of experience and eagerness to help create a great event. *See more about the 2019 Colorado CDE&CT on page 2.*

On February 14, we will be having our CDS membership meeting at the Franktown fire station at 7:00pm.

Al Senzamici has created an informative presentation: "Fire Safety for Barns: Are you Prepared?" Come join us.

New information & updates have been added to the CDS website, at Coloradodrivingsociety.com.

We appreciate your support, insight, participation and enthusiasm with our carriage driving adventures!

Driving Pleasure,

Susie Haszelbart

Time to Renew Your CDS Membership for 2019!

Annual dues increase to \$30 as of April 1 - so you may want to renew before that and save \$5!

Please print and fill out the Membership Renewal Form on the back page of this newsletter. Make your check payable to the *Colorado Driving Society* and mail it with the completed form to the address shown there in blue.

2019 Colorado CDE & CT

Continued from Page 1.

Erik Jensen has secured the judges, technical delegate & course designer, plus is working with Douglas County to gain access to more marathon acreage. We will be using the excellent footing in the upper arenas of the Colorado Horse Park for Dressage & Cones this year. Susan Tyler has created beautiful advertisements for CAA's *The Carriage Journal* and ADS's *The Whip* next issues. The Omnibus listing will be posted soon. Sheryl Thombs has added more opportunities to last year's Sponsorship choices. Pat Lamprey has done a wonderful job creating a simple check list of the various tasks for each committee.

Many of us met at the Franktown Fire station Saturday to divide up the parts of the CDE into workable committees.

- ◆ Obtaining sponsorships & vendors
- ◆ Grounds preparation
- ◆ Organizing & setting up Dressage, Marathon & Cones
- ◆ Obtaining & scheduling volunteers
- ◆ Marketing, publicity and advertising
- ◆ Office: Scoring, assistant secretary
- ◆ Hospitality for competitors
- ◆ Volunteers & officials
- ◆ Barn management
- ◆ Announcing (Jan will not be available)
- ◆ Decorating (arenas & courses) &
- ◆ Spectator arrangements.

There are numerous ways to help and everyone's involvement makes a difference.

To express your interest in one or more committees, send an email to ColoradoCDE@gmail.com

Planning to compete in the event? Wonderful! We'll work out the schedule so that anyone who wants to volunteer and compete, will be able to do both. Much of the committee work will be done *before* the event. Please let us know your interest with an email to ColoradoCDE@gmail.com or text 303-882-2462.

Many hands will lighten the work & it's a lot more fun!

On the CDE Committee are:

Sal D'Alessandro, organizer;
Sandy Clayton, treasurer;
Pat Lamprey, secretary,
Susie Haszelbart;

ADS "Super Judges Clinic" coming to Colorado

If this national Combined Driving Event wasn't enough, we are also helping the American Driving Society with their Super Judges Clinic. This event is scheduled for July 26, 27 & 28th and is an educational clinic for 100-150 national ADS judges.

They have proposed a variety of classes from Turn-out, Super Reinsmanship, Working, & Cones to Dressage, Cones & Marathon on Saturday, July 27 at Salisbury. These American Driving Society judges are required to re-certify every few years, so it's a fantastic chance to drive your equine in these classes. This is still a work in progress, but we would love to have your input.

ADS has also offered to any CDS member an opportunity to listen in on any part of the clinic. It is a terrific opportunity to learn, whether in the classroom or in the driving classes or both. Let us know about your interest in the clinic at ColoradoDrivingSociety@gmail.com.

Please join us!

CDS plans a Carriage Display and Driving Demonstrations

Mr. Truck hitched and ready for a carriage driving demonstration at EXPO 2018

This year at EXPO, in addition to our annual carriage display, Terry, Amanda, and Orrill Miller are ready to present harnessing and carriage driving demonstrations to attract folks to learn about our sport, as they did so successfully at the 2018 EXPO!

They have 14 presentations on the EXPO schedule, four to five a day. Last year so many people flocked to their demonstrations, they realized they need more volunteers.

So CDS members, we need your help! Please join the fun and volunteer for as many time slots as you can manage.

We need volunteers to staff the carriage display AND to help during each presentation to answer questions.

To Volunteer, choose from the charts below the days and times you want to volunteer, Then email your name, cell phone number, and days and times you want to volunteer to Twilightrider12@gmail.com OR call 303-915-9553 and leave your information.

You will receive a call back to confirm your times and provide more details. Please plan to bring your cell phone to communicate with other volunteers while at the EXPO.

Choose the days and times you'd like to volunteer at the Carriage Display.

Carriage Driving 101

Presented by Gary Lewman for the Colorado Driving Society

Saturday, March 16, 2019 10 AM - 3 PM

Snow date March 23, 2019 10 AM - 3 PM

Franktown Fire Station

1958 N. Hwy 83, Franktown, CO 80116

1/2 block south of the intersection of Highways 83 & 86

Carriage driving is more than just a big draft horse pulling a bunch of sightseers around town. Carriage driving is one of the fastest growing equestrian sports today, and can be as difficult or simple as you choose to make it: a simple picnic drive with friends, a trail "ride" through a park, an exhilarating cross-country marathon, a challenging obstacle course, a dressage test as sophisticated as the highest level of ridden dressage.

You can drive any size horse or pony, from miniature to draft, or drive a mule or donkey instead. Put that lawn ornament or out-grown pony to work! Have an older horse that needs a different exercise program? Put those dreams of yours on a carriage seat instead of saddle! You and your horse can learn new ways to enjoy this equine sport.

Just as with any other equestrian discipline, it can take years to become a really successful carriage driver, but this clinic can get you started. This is a clinic for *first time and existing drivers*.

This is a NO HORSES clinic covering basic safety, harness parts, harnessing and biting, carriages, and basic driving styles, and starting the horse.

Students: Please bring your driving gloves and buggy whip (if you have them)

Lunch break 12:00PM - 1:00PM. Students -- lunch on your own -- three restaurants nearby or DIY.

Looking for a cottage to rent June through September 2019. There needs to be parking room for a pony, a carriage, a truck and horse trailer. Our kids and grand-kids live in Colorado Springs. A space for an RV is also an alternative to a cottage. We are founding members of the Central Valley Harness Association in California. We are now new members of Colorado Driving Society. We would love to drive our fell pony at some of the clubs Summer 2019 organized drives. **Contact Lois and Brent Patten. 559 970 2548 or 559-298-4124**
