Directions: From Parker rd, turn west on Stroh rd and continue past the King Soopers. When you see the fire station, turn south onto J Morgan rd immediately past the fire station. There will be traffic barrels, proceed through the barrels onto the newly paved road. Someone will meet you at the fenceline to let you through. Park on the dirt where you see other trailers.

NEGATIVE COGGINS WITHIN 1 YEAR and HELMETS ARE REQUIRED BY THE FACILITY anytime you are on the cart/carriage. Vests are optional.

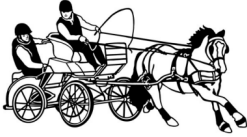

A simple point system will be used, enter both events and win a "circuit" prize for Open and Training Divisions! Ground Driving is practice only. The course will be set in an outside mowed field unless the footing is bad, then we will drive in a smaller indoor arena. If the roads are bad, we will try for Sunday instead of Saturday. We will communicate via text if we have to move the event due to weather.
