COLORADO  
DRIVING  
SOCIETY

## President's Message

The recent Twenty Mile House Combined Driving Trail (CDT), held on July 18<sup>th</sup> was very well attended by 17 turnouts. Many drivers were learning the ropes or practicing for, the September's upcoming Colorado Combined Driving Event (CDE), which is the more formal, big brother of the CDT. After cancellation of last year's event, there is great anticipation for this national level CDE to be well attend by new and old competitors who are looking forward to the opportunity of testing their skills and their horses training. This is a large production for the Colorado Driving Society, in partnership with the Rocky Mountain Carriage Club, and I entreat all members to get involved however they can. It takes many volunteers to make it a success for our driving community.

Sadly, due to a longtime planned family function, I will regret missing out on Margie Liliestedt's Pleasure

Many of us have been melting in the recent heat wave, and it has been hard to get the motivation to be out working with the horses in anything but the early morning hours. However, in spite of the heat, we've been having some regular rains and for horse owners that equals a hopefully good hay crop – which means procuring hay for winter may not be such a challenge. So here is a reminder to all that late summer is the time to stockpile. Plan your hay strategy now and you won't be scrambling in late October.

Drive in Frankton, which sounds delightful and just the sort casual driving event I love.

On a personal note, I want to remind everyone about the Buffalo Creek Picnic drive that my daughter Amanda Miller and I are hosting on Saturday, August 14<sup>th</sup>. It is a tranquil, country drive event and the out-and-back route takes us about 4-1/2 miles up Buffalo Creek on a dirt road that is closed to motor vehicle traffic. Last year we took a break, to breath the horse and have a snack and drink, at the

turn-around spot. Then we headed back down the creek to our trailers where we enjoyed a distanced but social lunch. Planning on arriving at 10 and we will drive out at 11 AM. As an incentive to attend, I want to remind everyone that it is typically 10-15 degrees cooler up here in the mountains.

-Terri

## June and July Events:

The high time of summer brought lots of opportunities to drive our ponies! We kicked off June with the Sporting Day of Traditional Driving, held at the beautiful Thisle Hill farm in Franktown. The cross country drive the next day was a blast as well, thank you so much Erik and Mary for opening your beautiful facility to the club! We had a work day at the Colorado Horse Park to do some much needed maintenance on the new obstacles the club owns there in anticipation of the upcoming CDE. Kids and Carts was put on by Terri Miller and Amanda Halvorsen, and our club youth representative, Orrill Speaker. This outreach event went well

and was a ton of fun for the kids involved! July saw our Twenty Mile House CDT at Salisbury park. This was a great practice for the upcoming CDE for the 17 turnouts, as well as knocking the dust off our show running chops. Thanks to Sara Swearingen for organizing the event, and Pat Lamprey for getting the scoring all managed. We've had many great volunteers helping with these events as well, and we truly appreciate their time and efforts, without them we can't run these fun events! We've gotten some great feedback on the events as well, and we appreciate the input into making things better!

We are rapidly approaching the Colorado CDE! I cannot ask enough times for volunteers and sponsorships. The Volunteer form is on page 11, and needs to be returned to Margie Liliestedt. You can mail the form, or email it to her. Sponsorship information starts on page 12. Sponsorship dollars are critical to pulling this event off. If you have ideas, please contact the Sharyl Thombs, the CDE planning committee, or just the CDS board or officers and we can point you in the right direction. We are generating interest from all over the state, as well as neighboring states! Let's make this the event of the year in the driving world!

And lastly, I know I'm usually too busy driving to get any good pictures. If you get some good ones, please share them to the facebook page, or send them to me directly! I love to include news about what our club members are up to, but I'm lacking in photos to share.

Thanks all!

## Colorado Driving Society Driving Derby II

Saturday, Aug 21, 2021

Salisbury Equestrian Park  
11920 N Motzenbacher Rd, Parker, Colorado

Host: Erik Jensen

Entry Fee \$30 for members, Non members will pay the \$30 membership fee also. Entries close Friday Aug 20

### HOW IT WORKS

Each driver will be timed through a numbered course of obstacles and gates in the proper direction and in correct numerical order to the finish line. Drivers may enter equines of any breed and size, from minis to drafts, in different divisions and classes.

A round is run as a timed competition with penalties converted into seconds. There will be two rounds for each competitor. The times plus penalty scores for both rounds are added to produce final scores and placing.

### RULES

#### Divisions

- Training Level Division: trot only.
- Open Division: any gait.

Classes refer to equine size; any equine breed may enter, including mules and donkeys.

- VSE/Under 9.3 hands/39 inches
- Small Pony (less than 12.2 hands)
- Large Pony (12.2 to 14.2 hands)
- Horse (over 14.2 hands)

#### Presentation:

- Horses and riders must be turned out in clean and neat marathon style.

#### Navigators:

- All entries except VSE or small pony are required to have a navigator on the vehicle. Navigators may ride with more than one entry. Multiple hitches must have a navigator regardless of horse size.
- Drivers under the age of 18 years must be accompanied by a navigator of 18 years and older with the exception of VSE or small pony.
- Youth drivers over the age of 14 may drive without an adult in VSE classes.

#### Equipment:

- All persons on the course must wear properly fitted ASTM/SEI protective headgear with chin strap harness secured. Protective vest and medical armbands are not required but recommended.
- Only the driver may handle the reins, brake and whip.
- A whip of suitable size must be carried in hand while on the course. If the whip is dropped, the driver or groom can retrieve a spare whip or the carriage must be stopped so a groom may dismount and retrieve the whip. In the case of a driver without a groom, the whip may be re-

stored to the driver by an outside party. The penalty is the time lost.

#### Course:

- A course diagram will be emailed after the closing date and will be available upon check-in.
- Drivers will be invited to walk the course the morning of the event.
- Cones will be set at a common width of 200 cm.
- Obstacle gates will be set at a minimum of 3 meters apart.
- The entry to each gate will be numbered on the right by a red sign or flag, to indicate the correct direction. Entering a gate with the red sign or flag on the left or out of numerical order is an error and cause for elimination.
- Driving gates out of order is "off course" and may be corrected by returning to the missed gate and resuming the course.
- Gates completed are considered dead and can be driven in any direction.
- The judges' interpretation of the rules is final.

#### SCORING

- Course time begins and ends when the horse's nose crosses the start and finish lines.
- Penalties are added to the elapsed time for total time.
- Entry with lowest total time wins. This can be a combined time if multiple runs are used.
- Ties will be broken by the fewest penalty seconds or a drive off at management discretion.
- There will be recognition for the lowest combined scores from the season's derbies.

#### TO ENTER THE DERBY

- Fill out the entry form and release form (below).
- Submit entry forms and fees. (See dates above.) *Make checks payable to Colorado Driving Society.* A confirmation email will be sent upon receipt of entry.
- If you are under 18, your parent or legal guardian must sign the release on the entry form along with you.
- Drivers and navigators (parent or guardian for minors) must sign release form before participating.

## Driving Lines

**CDS Picnic Drive, August 14, 2021,  
Arrive – 10:00 AM, Driving at 11:00 AM**

**18050 S. Buffalo Creek Rd.  
Buffalo Creek, CO 80421**

See directions below.

Photo credit: Connie Sandvik

We hope you will join us on August 14, 2021, for a Picnic Drive up historic Buffalo Creek Rd. Except for a handful of residents, this road is closed to all motor vehicle traffic. We have received special permission for parking and access through normally locked gates. This is a small country road, not a trail. The road has a smooth gravel surface and parallels Buffalo Creek for about 5 miles, winding through the forest and a small part of the Buffalo Creek burn area. From the parking site it is a gentle grade following the creek upstream. There are turn out places along the way if needed. (There will be some mountain bikers on the first ¼ mile. The road is wide enough for safe passing, and these users quickly leave the road in preference of the many singletrack trails that lead from the road up into the forest.)

### Directions, from Denver/Lakewood:

- 1) From C470 take US Hwy 285 South, to Pine Junction, (this is about 7 miles past Conifer, and will be the first stop light you come to).
- 2) Left at Pine Junction stoplight, heading south on Pine Valley Road (also known as County Rd. 126), toward Pine.
- 3) Continue on County Rd. 126 for about 7 miles, to the small town of Pine, and continue on to Buffalo Creek, 2 miles further down the road.
- 4) At Buffalo Creek you will pass a church on the right and cross a bridge over the North Fork of the South Platte River.
- 5) Cross the river, slow down and look for Buffalo Creek Rd. (¼ mi.)
- 6) Turn right on Buffalo Creek Road and drive ¼ mi. past the Community building (**18050 S. Buffalo Creek Rd.**), and turn left into the Mountain Bike parking area.
- 7) There will be reserved parking for our horse trailers at the far back end of the parking area, (past the picnic pavilion and by the baseball backstop).

### Additional notes:

If you have friends or family that would rather ride, horseback riders/outriders are welcome to join us.

This area is a no cell phone zone. You will lose cell service when you leave Pine Junction.

In spite of what your GPS may direct you, **DO NOT TAKE HWY 67 FROM SEDALIA TO DECKERS!** It is a bad road for horse trailers and will take you twice as long.

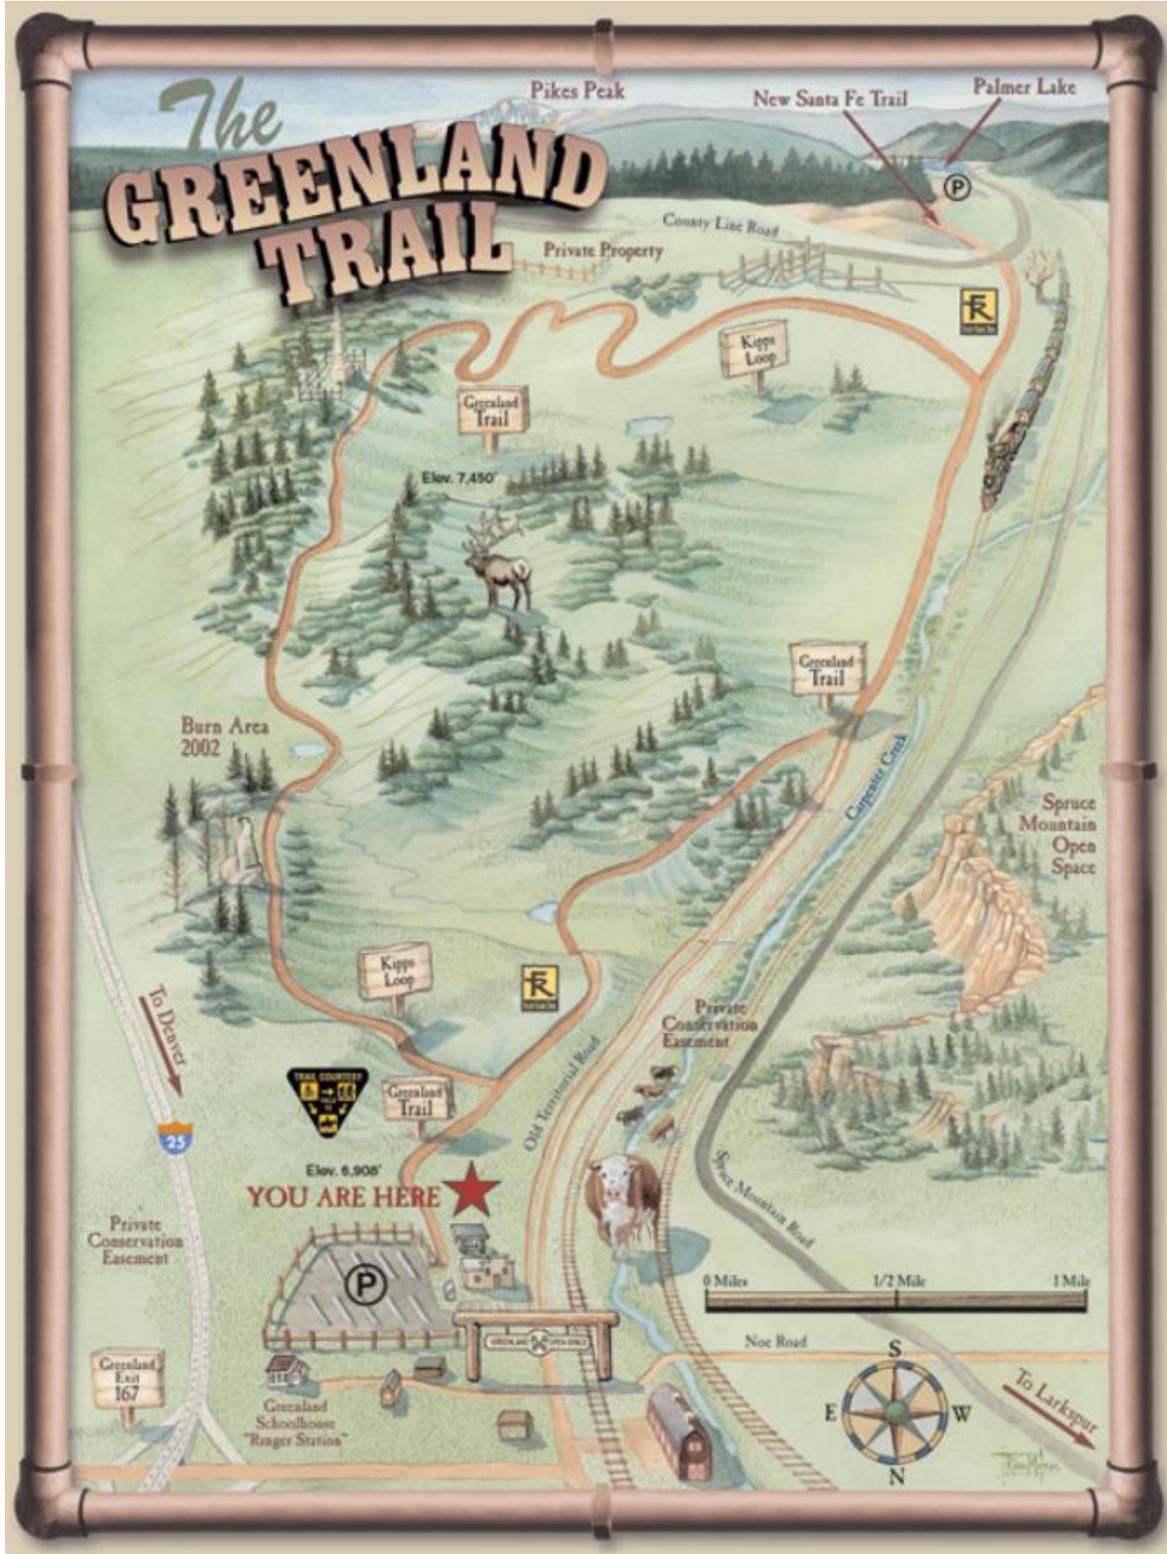

For our planning purposes and so we don't leave without you – please RSVP regarding your attendance to Terri Miller at: [imtexto@yahoo.com](mailto:imtexto@yahoo.com) or call 720-308-8687

## Get more involved with CDS . . .

**We're still looking for someone to fill one critical position:**

- **Volunteer Coordinator—** Contacts coordinators for the various CDS events to see how many and what kind of volunteers are needed for their events, then contacts club members and others to see who can fill which positions.

**And — until we have a volunteer coordinator — contact individual event coordinators (see the calendar) to offer to help out at events of your choosing. It's a great way to meet more club members and to learn more about how each of the events works.**

**Event Organizers . . .** If your event is at Salisbury Equestrian Center, consider saving some money by anchoring your event at the east side of the polo field in order to use the permanent porta-potty by the white arena rather than renting a porta-potty (at the cost of \$150).

**Reminders for Event Organizers:**

- Guidelines for organizers, a sample budget, and reimbursement forms are available from the event coordinator (below).
  - Three months before your event, submit a budget to the CDS board of directors through the event coordinator. *No publicity for an event will be released until the budget has been approved.*
  - Once your budget is approved, please submit a description of the event to the newsletter editor. Include event title, location, date, time, rain date, fees, organizer, details of the event, closing date for entries & where to send entry form and fee. (Please send content with minimal formatting. We'll take care of the layout.)
  - For help recruiting volunteers, contact the volunteer coordinator (below) two months prior to the event with a list of the positions to be filled (set-up, scribe, timer, cone setters, volunteer judges, announcer, photographer, etc.)
  - Arrange for a volunteer to take photographs or contact the newsletter editor about photographs.
  - After your event, please send a report about scores, awards, number of entries, etc. to the newsletter editor.
  - To be reimbursed by the club for any expenses you incur, you must provide a receipt and a CDS reimbursement form, available from the event coordinator.
- Items that are donated require a receipt for the value of the item and the word "Donated" written on the receipt for tax purposes. This can include a judge's fee if the judge normally charges but chooses to donate the service to CDS.
