Colorado Pure Silver CT/DT

July 30 & 31, 2022

Messer Arena & Event Center

Come enjoy the new Colorado driving venue,
visit with friends and win .99% pure silver!

Dear Competitor,

We would like to invite you to participate in the Colorado Pure Silver Combined Test and Driving Trial on Saturday and Sunday, July 30 and 31, 2022. Entries open May 1st and close July 1st.

Dressage will take place in the indoor arena on Saturday, July 30th. The indoor arena is 50,000 square feet, but is just short of 80 meters long, so we will use the ADS Arena Trial (AT) tests. Cones will take place immediately following on the outside cones course. The marathon course is set on 120 acres composed of grassy terrain with some areas of sand and hills.

We will be offering the option of competing in either the combined test (CT) of Dressage & Cones on Saturday or the full Driving Trial (DT) of Dressage, Cones on Saturday and Marathon on Sunday. The competition will be held at Messer Arena and Event Center to evaluate the possibility of a future CDE at this new location. The indoor arena footing will be packed firm but resilient.

Driver/grooms will be permitted twice around on marathon, if scheduling permits. Please include this information and notes on equipment sharing with your entry form.

There is a permanent barn with new 10' x 10' stalls for overnight stalling. Hauling in for the day is also permitted. Many local restaurants and grocery stores are within a few miles. There are several hotels in the Parker & Castle Rock area. Dry camping is free on-site at the venue. There is a RV campground close by with full hook-up, if you prefer.

Come join us for a wonderful summer driving adventure. We look forward to seeing you here!
