Greetings,

Norb & Rita Nothstein put together a terrific, well organized Driving Derby!!! They even postponed celebrating their Anniversary to focus on creating a wonderful driving event for us. We appreciate you Norb & Rita and your amazing crew of volunteers!

This month is 20 Mile House Driving Trial at Salisbury. Please join in the fun by competing or helping out.

Driving Pleasure,
Susie Haszelbart

NOTICE:

Events at Salisbury Equestrian Park

Just a reminder to our members who drive at Salisbury Equestrian Park when we’re not having official events:

There are several other equestrian groups who regularly use the upper part of the park, and often on days when we have carriage events. We’ve been asked to park at the east end of the parking lot (towards the lake), since those groups usually have many more competitors than we do and need access to the west arena and (sometimes) the polo field.

There are also other organizations that use the cross country course for events such as MuckFest, bicycle races and cross-country runs. We’re trying to get a list of those dates so we can avoid them. (MuckFest occurs on Sept. 15 this year. That’s the date of our second derby, so we’ll be limited to the polo field that day.)

The bottom line is that we need to remember that we’re often sharing the park with others and need to be aware of the best use of the parking lot, and that we can’t set up courses the day before an event unless we’ve also reserved the park for that preceding day.

CDS has a reputation for using the park well and caring for it. Let’s keep it. Thanks!

Pat Lamprey

(who gets to spend time in contact with the park’s reservation people!)

Colorado Driving Society
Driving Derby I

Saturday, June 16th was a perfect day for a Driving Derby at Salisbury Park in Parker, Colorado.

Moderate temperatures, a gentle breeze, occasionally over-cast skies and a few scattered showers provided welcome relief from the 90+ degree temperatures of the previous few weeks. There were fifteen entries in the Derby ranging from minis to drafts, all singles plus two pairs.

Our judge was Glenn McGirr of Bay Breeze Farm in Loveland. Walking the field, he made some suggestions to improve the course and gave us good ideas for future course designs. As participants lined up to start, Glenn checked over carriages, horses and harness for safety and took time to discuss harness adjustments with drivers. He concluded his morning competitors briefing with "Lets have fun out there" and I believe we all did just that.

We would like to thank our wonderful volunteers, Pat Lamprey, Fred and Jan Wehrli, Diane Russell Chambers, Sara Swearingen, and Connor Kuybus for all of their help as well as Susie Haszelbart, Pat Lamprey, and Susan Tyler for their input and advice.

And special thanks to our wonderful field set-up committee on

Volunteers Needed!

This is your chance. If you're someone who has competed at many CDS events, this is a way to give back to the club. If you're just starting to drive, it's a way to learn about competitive driving. It's also a chance to spend a day outside with fun people doing something worthwhile. See page 3 for times and volunteer posts..

On **Saturday, July 28**, we'll set the courses. We'll be setting up dressage and cones arenas. We'll also mark and measure the marathon course and mark the gates in the obstacles. If you're competing, this is a great chance to see the course ahead of time without having to worry about what your horse is up to or when you need to be in an arena on the morning of the show.

On **Sunday, July 29, show day**, in the early morning, we need folks to set up sun shades, tables and chairs for the officials, to measure wheels, and to hand out competitor packets. Then we'll need folks to get competitors in and out of the dressage and cones arenas, and pick up downed balls and cones. We need a couple of drivers for the marathon course "walk" in the morning, and people to dismantle the cones and dressage arenas during the lunch break. In the afternoon we need many timers and judges for the marathon and its obstacles. When everything's over, we'll need a few folks to take down the marathon course and obstacle markers, take down sunshades and equipment, and pack everything up. Volunteers receive thorough instructions in advance.

On show day, we're happy to have you for all or just part of the day. Either way, **we'll feed you—and thank you!**

If you can help, please fill out the form below and mail it to Susan Tyler, 755 Vista Lane, Lakewood, CO 80214 or call 303-915-9553 or email TwilightRider12@gmail.com.

If you signed up to volunteer for this event by phone or email, please reconfirm here your intention to volunteer. Thanks!
