

# Colorado Driving Society

If you love horses, friendly people, scenic drives through the country, learning new things, good natured rivalry, or serious competition, the Colorado Driving Society is the club for you.

We have members who have been driving for decades, those who are just beginning to learn, and everything in between. Our events include cross country drives, educational clinics, practice days, family fun days, competitive Driving Derbies and 3-Phase Combined Driving events.

We welcome all driving enthusiasts regardless of level of expertise or age. Current members own many different breeds and sizes of equines and use various types of vehicles and harness. The only requirement is safety.
