President's Message

Greetings,

Thank you to Erik and Mary Jensen for hosting Gloria Austin's recent visit. Gloria presented a fascinating topic of "Communicating with the Driving Horse" for our CDS membership meeting. She was also the judge for the Sporting Day of Traditional Driving. Gloria reviewed each turnout, explaining and providing helpful comments & suggestions to the drivers & audience. Without Erik and Mary's enormous support, we would not be able to enjoy and learn from this unique event. Their Sporting Day of Traditional Driving is currently one of only two in the nation.

Please mark your calendars for July 26 & 27 for the ADS Super Judges Clinic. See page 15. This is the first time they have allowed a free audit option, and it's to the CDS & RMCC members. They will have both pleasure and CDE classes on Saturday, July 27 at Salisbury. Schneider Saddlery is the official sponsor of this ADS Super Judges Field day and have donated embroidered, padded bridle bags to the participating drivers. If you would like to listen in and audit this insightful opportunity, please let us know.

There are still a few openings in the Gerd Wicht Driving Clinic for this Sunday, July 7 at Salisbury. A personal lesson is a terrific way to continue to sharpen our skills. See page 10 for details.

Driving Pleasure,
Susie Haszelbart

CDS Cones and Hazards Fun Day

July 7, 2019

Salisbury Park

11920 N. Motzenbacher Rd, Parker, CO

Organizer: Sara Swearingen

352-275-3316, sswear19@gmail.com

Please let Sara know by 6pm Thursday if you plan to attend this Fun Day.

It is a holiday week, so it will be helpful to know how many participants to expect.

We plan to set up a cones course and mark gates on a couple of hazards, The dressage arena will also be available for practice.

This Cones and Hazards Fun Day will run simultaneously at Salisbury Park with the "Gerd" Hazards Clinic.* Please come prepared to be alert and courteous to other drivers, carriages and horses.

The Fun Day will have a cones course on the Polo Field and hazards marked in the lower area of the park.

We will gather for lunch at the gazebo so remember to bring sunscreen, lunch, chairs, snacks, drinks and **lots of water for humans and horses**. There is NO water available at the park.

Please be courteous: If two rigs arrive at the same time at the in gate of a hazard or cones course and one is in a clinic lesson with Gerd, please allow that driver to go first, and then take turns if either wants to run the course or hazard more than once. If another rig is driving in a hazard or cones course when you approach the in gate, please wait outside until the other driver exits the out gate.

*Sunday's "Gerd" Hazards Clinic is a CDS event, planned for CDS members at Salisbury Park.

"Gerd" is the nickname for Volker Wicht, the clinician from Sterley, Germany who has come to Colorado by arrangement with RMCC for his fourth visit to conduct clinics here. See details on page 10 of this newsletter.

As of Tuesday, there were lessons still available with "Gerd," so if you would like to sign up for a lesson, please contact Sharyl Thombs

Sporting Day of Traditional Driving

Thistle Hill Farm, Franktown CO
Gloria Austin, judge
June 8-9, 2019

The purpose of a Sporting Day of Traditional Driving is to preserve and celebrate the carriage-driving style of bygone days, which encompasses horsemanship, driving acumen, care and preservation of carriage and harness, and the intangible qualities of good sportsmanship. The Sporting Day focuses on traditional driving and includes three phases: a Turnout Inspection, a Country Drive, and the Cones Course.

Although intended as a celebration of traditional driving than a competition, the Sporting Day of Traditional Driving does contain competitive elements. Each turnout, however, is competing against an ideal, rather than against the other turnouts in attendance. The optimum score of 100 is broken down among the three phases as follows: a possible 50 points for the Turnout Inspection, 25 for the Country Drive, and 25 for the Cones Course.

2019 CDS Driving Derby I

Saturday, June 29th was a 95 degree day with blue skies and little wind. The polo field was in great shape and freshly mowed. We had thirteen turn-outs including two pairs of VSEs. Jackie Sharp and Maureen Spellman (our newest member) drove five hours from Pagosa Colorado to compete in the Derby.

Our judge was Jack Bloss of *Rocky Mountain Harness and Carriage Sales*, assisted by his wife Nancy as his scribe.

Eastgate Engraving and Awards (Diane Russell) generously donated 16 ounce sport mugs for first place in each class.

Thanks so very much to our great volunteers who helped make this event run so well. Three groups deserve our appreciation: First, our Friday set-up team who managed to bear the afternoon heat: Sara Swearingen, and Al and Joan Senzamici .

Next, the competitors who helped finish the early Saturday morning set up and then helped to clear the field following the event.

And finally, a big thank you to our scorekeeper Pat Lamprey, our announcer Jan Wehrli, and our obstacle observers and timers: Kass Bringuier, Kerry Swanson, Suzi & Tambria Miller, Susan Tyler, and Fred Wehrli. **Thank you all.**

2. The 20 Mile House Combined Driving Trial will be conducted and judged according to American Driving Society rules insofar as possible.
3. Neither the management of the event, the Organizing Committee, the Show Committee, nor the property owners of any property used during the event accept any responsibility for accidents, damage, injury or illness to the horses, owners, riders, driver, employees, attendants, spectators or any other person or property in connection with this competition.
4. HARNESS AND VEHICLES MUST BE IN GOOD CONDITION, SAFE, uniform in appearance, and of an accepted style. Vehicles may have iron or solid rubber tires. Pneumatic tires will be allowed at all levels for Very Small Equines. Pneumatic tires will be allowed for horse and pony vehicles in Training Level only. Vehicles, harnesses or equipment that are found to be unsafe will not be allowed to compete or remain in use during the event.
5. ALL DOGS MUST BE ON A LEASH AT ALL TIMES! (Better yet, leave them home!)
6. ADS veterinary and cruelty rules will be observed. If during the show an animal is deemed unfit to continue, this decision, under the aegis of the judge, will be final.
7. Junior drivers under 14 years of age, except those driving VSE/miniature horses, must be accompanied in the carriage by a knowledgeable adult horseperson. Failure to comply will incur elimination.
8. A groom/navigator is required for all turn-outs on the marathon, except for VSE competitors aged 14 or older. Additional passengers are permitted. Groom/navigators must be at least 14 years of age.
9. Breeching and/or brakes are required for the marathon.
10. HARD HATS are required for the cones and marathon.
11. Groom/navigators may ride more than once if scheduling permits. A driver may compete with more than one turnout if scheduling permits. A driver may ride as groom/navigator for another competitor if scheduling permits.

Volunteers Needed!

This is your chance. If you're someone who has competed at many CDS events, this is a way to give back to the club. If you're just starting to drive, it's a way to learn about competitive driving. It's also a chance to spend a day outside with fun people doing something worthwhile.

On Saturday, July 20, we'll set the courses. We'll be setting up dressage and cones arenas. We'll also mark and measure the marathon course and mark the gates in the obstacles. If you're competing, this is a great chance to see the course ahead of time without having to worry about what your horse is up to or when you need to be in an arena on the morning of the show.

On Sunday, July 21, show day, in the early morning, we need folks to set up sun shades, tables and chairs for the officials, to measure wheels, and to hand out competitor packets. Then we'll need folks to get competitors in and out of the dressage and cones arenas, and pick up downed balls and cones. We need a couple of drivers for the marathon course "walk" in the morning, and people to dismantle the cones and dressage arenas during the lunch break. In the afternoon we need many timers and judges for the marathon and its obstacles. When everything's over, we'll need a few folks to take down the marathon course and obstacle markers, take down sunshades and equipment, and pack everything up. Volunteers receive thorough instructions in advance.

On show day, we're happy to have you for all or just part of the day. Either way, we'll feed you—and thank you! If you can help, please fill out the form below and mail it to Susan Tyler, 755 Vista Lane, Lakewood, CO 80214 or call 303-915-9553 or email TwilightRider12@gmail.com.

If you signed up to volunteer for this event by phone or email, please reconfirm here your intention to volunteer. Thanks!

Yes! I'll do it! I'll volunteer!

SPOOK CLINIC FUN DAY

August 17, 2019

10 am—4 pm
Clayton Ranch
7158 Hwy 86
Kiowa, CO 80117

On August 17 the CDS will have a spook clinic fun day at Sandy Clayton’s place — 7158 Hwy 86, between Elizabeth and Kiowa, south side. Questions? Call Sandy 303-646-3595.

Sandy has many obstacles. She was a former L4 EXCA judge and hosted EXCA official events and the AQHA Trail Trials.

Bring your horse, gloves, helmet, whip, harness and carriage, or surcingle and long lines. Bring a dish to share, a chair, lots of your favorite beverages and sun screen.

We want to prepare our equines for future parades (especially the Parker Christmas parade). So, one obstacle will be to have our participants and volunteers line up on two sides and act like crazy parade watchers.

We will start at 10 am with horses “on-lead-line.”

We will have a potluck lunch around 1 pm.

After lunch we will do more obstacles. You can choose to go through the obstacles with your horse on a lead line, ground driving, or drive in a carriage. Repeat the obstacles that your horse needs practice and more exposure to be comfortable.
