President's Message

Greetings Everyone,

What an exciting and successful Colorado CDE!!!

The "If we build it, they will come" motto proved to pull 34 competitors from 9 states. The amazing volunteers, members of the CDE committee, national level officials, CHP staff, competitors, friends & family all worked together to bring the first ADS-recognized 3-day Combined Driving Event to Colorado in 13 years.

Thank you to ALL, for making it a winner!!!

In addition, September started with the Blue Jeans Driving Games and continued with the Driving Derby II. We have an incredible active, vivacious and delightful driving community here that makes all the work worth the effort.

Driving Pleasure,

Susie Haszelbart

Colorado Driving Society Driving Derby II

September 15, 2018

The carts and carriages made huge sweeping turns on the course that sometimes kicked up the dust and occasionally slid the carriages around the corners. Both hazards were tricky and quite thought provoking as to the best route for horse and driver. The 16 drivers who had looked forward to attending the second Driving Derby of the year on Saturday, September 15th, commented favorably following the event.

Our volunteers, Susie Haszelbart, Lani Piper, and Al and Joan Senzamici did an excellent job helping us set up the course on Friday and also helping out on Saturday.

Diane Chalmers Russell judged the derby and donated the lovely Driving Derby I and II Combined Score medallions. This was the first time Diane judged a derby, and she did a great job. She commented that she is looking forward to driving her ponies in next year's derby.

It takes volunteers to put on an event and we had some of the best. Thank you Al, Joan, Susie, Lani, Pat Lamprey, Jan and Fred Wehrli, Kim Ross, Lola Rauch (who came all the way from the Walsenburg area), Sara Swearingen and her good friends Kass Binguier and Kerry Swanson. Included also are the drivers and navigators who helped set up Saturday morning and did a great job of cleaning up the polo field when we were finished. We couldn't put on the Driving Derby without our great volunteers!

SEPTEMBER 28-30 COLORADO HORSE PARK, PARKER, COLORADO

THE COLORADO CDE

Recognized by the American Driving Society

Judges Hardy Zantke and Craig Kellogg
Technical Delegate Wayne Kramer
Course Designers Jamie O'Rourke and Carl Terry

Sponsored by the Colorado Driving Society and the Rocky Mountain Carriage Club

Wednesday: Debbie has the course marked. Pat & Andrita set up the show office.

Thursday: Competitors arrive, settle horses in stalls, pick up show packets. Susie puts last decorations around the dressage arena. Debbie checks last markers on the course. Golf carts wiz by. At dusk, Carl and Gary finish volunteer tent set-up.

Friday 7 am: Dressage. Gray and chilly. Volunteers check in, head to the arena. One by one, drivers enter, salute and perform the dressage test as Hardy and Craig watch with concentration. Scribes record the judges' remarks. The sun comes out after lunch. Score sheets are taken to the scorekeeper. Drivers head to the wheel measurement station where the width of rear carriage wheels is measured.

Saturday 7 am: Marathon. Volunteers sign out radios, watches. Pick-ups transport them to their posts along the course. At the start of Section A, a driver holds his horse 'til the timer counts down to Go! From her tower up on the hill, Jan announces each competitor's progress.

Of 33 entries: 11 are Coloradoans, 22 traveled from 8 other states: Arizona 3, California 2, Iowa 3, Kansas 5, Minnesota 2, Montana 2, Nebraska 2, and New Mexico 3. 4 entries drove pairs of horses. One drove 4 minis in hand. 10 drove single horses. 14 drove single large or small ponies, 2 drove single mini horses, and one drove a mini donkey. One entry withdrew.

At the finish of section A, horses start a 10 minute walk before going through a vet check of respiration, heart rate, and temperature.

At start of Section B, a timer clicks a watch to start a carriage on course. Judges watch each competitor negotiate 4 or 5 hazards. Horses splash through water, pound up and down hills. A timer clicks a watch, writes down the finish time for each turnout. A score runner takes score sheets to Nancy to compile the scores.

Sunday: Cones. Cone setters measure distance between cone pairs for each competitor's wheel width. The whistle blows. Judges check that the driver passes through each pair of cones in correct order and direction, noting errors. Scribes record errors. Score sheets go to Nancy to compile the final scores. (See results on page 11.)

Some competitors head out on the long haul home even before the final scores are announced and the ribbons and trophies are handed out.

It is required that all entries cover themselves in case of an accident. **If you or your group belong to Colorado Driving Society or the Colorado Horse Council, your membership includes parade insurance coverage. If you are not a member of either of these groups, you will need to provide a certificate of insurance required for general liability in the amounts of \$1 mil each occurrence and \$2 mil general aggregate. The policy must be endorsed to include the Town of Parker as additional insured and be reflected in the certificate.** If you would like information about joining one of these groups, please email Brooke Spain at bspain@parkeronline.org

Theme:

Once again the Parker Christmas Carriage Parade is opening the theme up to individual entries. What is your vision of a holiday themed entry? Be creative and unique. Only your imagination limits you. The only themes/characters you cannot use are Santa and Mrs. Claus as the Town of Parker will be ushering them in as the final carriage in the parade and we all know there is only one Santa and Mrs. Claus!

Judging:

We are bringing back the time honored tradition of our Winners Banners and will do judging at 11:15 am in the parade lineup area. This year's judging categories have been simplified.

- Best Themed Mounted Entry
- Best Themed Driven Entry
- Celebrity Judge's Favorite

Any entries that would like to be considered for judging will need to be in the lineup at 11:15 a.m. If an entry is not lined up at the time of judging, the entry will not be judged and will be excluded from the competition. Once judged, if there is time, entries may leave the lineup area as long as they are back in line by 11:45 a.m. for the final parade check in.

Parade space is limited and all entries will be taken on a first-come first served basis. **All applications are due Nov. 16.** For questions please contact Brooke Spain at bspain@parkeronline.org or 303.841.0353.
